INTRO:

VERSE 1

Your mercy came to save
Though I had walked away
You never failed me, God
You're never failing, God

Your goodness never ends
Through time and time again
You're never failing, God
The never failing God

PRE-CHORUS

Even when I turned away Your love stretched out
Jesus, You're the only name we lift up now

CHORUS

Jesus, Jesus, Jesus
Your love has bought our freedom
We'll sing Your praise forever
Wide open to Your love

VERSE 2

All insecurities and all anxiety
Tremble at Your Name
Oh, the only Name

You calm the wind and waves
And You rose up from the grave
You are Holy, God
You are worthy, Lord

BRIDGE 1

When my sin has dug my grave

You are God, You are God

When my thoughts are filled with shame

You're enough, You're enough

When I'm lost in my mistakes
You are all I need and more

BRIDGE 2

You're the Name above all names

You are God, You are God

On the cross You took our shame

You're enough, You're enough

In the valley You're the same
You are all I need and more
