

PARENTAL FRIDGE SHEET

WHAT IS "ADVANCE"?

ADVANCE is designed to be a tool that assists in motivating and mobilizing students to excel in campus ministry and evangelism. From encouragement received from fellow students, to the resources given during breakout sessions and of course we can't forget to mention the power of the Holy Spirit that is experienced during the evening services; it all comes together to create a venue where students will be ready to go back to school with more than just new jeans and a backpack. They'll be empowered and equipped to ADVANCE & reach beyond. Beyond what you ask? Beyond excuse, expectation and experience. Let's dream like we've never dreamed before and experience what we've never seen before. Let's ADVANCE the Kingdom of God on the Campuses in our community!
